What's Wrong With Traditional Approaches?

- ✓ Lack of Leadership

Leadership is concerned in producing change and movement by vision building, aligning people and communicating (Kotter, 1990).

- ✓ Short Term Focus/ Lack of Long Term Focus

Caused by stock market.

- ✓ Lack of Customer Focus

The Nokia example

"If I had asked my customers what they wanted, they would have said a faster horse" – Henry Ford

- ✓ Lack of Systems Thinking (Interdependency of parts)

- ✓ Human Resources Mentality
