

Audit Planning

- ✓ Determine the objective, scope and criteria
- ✓ Select the team
- ✓ Initial contact with the auditee (Like setting a date and a place)
- ✓ Identify specified requirements
- ✓ Prepare work documents (Checklists, forms)
- ✓ Draw up audit plan

Audit Execution

Opening Meeting

- ✓ Purpose is to confirm all prior arrangements
- ✓ Hold opening meeting with auditee top management and those responsible for processes audited
- ✓ Meeting may be informal
- ✓ Audit team present
- ✓ Auditor will describe Scope, Objective, Criteria

Conducting Audit

- ✓ Review and check record and documents
- ✓ Observing work activities
- ✓ Questioning Techniques
- ✓ Notes Taking

- Open Question
- Expansive Question
- Opinion Question
- Non-Verbal
- Repetitive Question
- Hypothetical Question
- Closed Question

Audit focus must be on conformity and effectiveness, NOT on finding nonconformities
