

Leadership

Leadership is a process by which leaders help themselves and others to do the right things within a given framework.

Leaders set a clear strategy, build an inspiring vision, and create something new. Leadership is about mapping out where you need to go to "win" as a team or an organization.

Actions to Take

- ✓ Communicate the organization's mission, vision, strategy, policies and processes throughout the organization.
 - ✓ Create and sustain shared values, fairness and ethical models for behavior at all levels of the organization.
 - ✓ Establish a culture of trust and integrity.
 - ✓ Encourage an organization-wide commitment to quality.
 - ✓ Ensure that leaders at all levels are positive examples to people in the organization.
 - ✓ Provide people with the required resources, training and authority to act with accountability.
 - ✓ Inspire, encourage and recognize people's contribution.
- 

Key Benefits
