Nonprofit SWOT Analysis

S

Strengths

- Uniquely positioned to provide support in the community
- Ten years of expert insights
- Large donor base

W

Weaknesses

- Doesn't have a large online presence
- Not seen as a "cool nonprofit organization"

O

Opportunities

- Build out an online presence including social media
- Work with influencers
- Update branding

T

Threats

- Charities with strong social media
- Donor base growing older
- Community support is only USP
