

Clause 7: Support

7.2. Competence

The organization shall

- ✓ Determine the necessary competence of person(s) doing work under its control that affects its quality performance,/job descriptions
- ✓ Ensure that these persons are competent on the basis of appropriate education, training, or experience;
- ✓ Retain appropriate documented information as evidence of competence
- ✓ Where applicable, take actions to acquire the necessary competence, and evaluate the effectiveness of the actions taken.

Applicable actions may include

- ✓ Provision of training to personnel
 - ✓ Mentoring of personnel
 - ✓ Re-assignment of current personnel
 - ✓ Hiring or sub-contracting competent persons
- 

Auditing

- ✓ Review documents (*diplomas, authorizations, permits, certificates, licenses, resumes; training records, etc.*)
- ✓ Evaluate the training process (internal & external) and methods, mentoring and re-assignments
- ✓ Evaluate competence of outsourced personnel
