

Clause 8: Operation

8.3. Design and Development of Products and Services

8.3.1. General

The organization shall establish, implement and maintain a design and development process that is appropriate to ensure the subsequent provision of products and services.

Applicability?

Auditing

- ✓ Verify that any claims of non-applicability are valid
- ✓ Review how the decision to proceed with design and development is taken (have risks and opportunities, including cost implications, been considered and have all relevant interested parties (internal or external) been consulted)
