

9.3.3. Management Review Outputs

- ✓ Opportunities for improvement
- ✓ Any need for changes to the QMS
- ✓ Resources

Retain documented information to provide evidence that the management review has been done and the results of it (minutes, reports, etc.)

Auditing

- ✓ Review of documented information
- ✓ Conduct interviews with top management
- ✓ Ensure management review meetings are covering inputs and outputs
- ✓ Ensure actions and decisions are aimed at the improvement of the QMS
