

ISO 9001:2015 Quality Management System Auditor

- Awareness -

People under the control of the organization need to be aware of:

- the quality policy
- quality objectives
- their contribution to the effectiveness of the quality management system, including the benefits of improved performance;
- the implications of not conforming with the quality management system requirements.

Communication for awareness

ISO 9001:2015 Quality Management System Auditor

- Awareness -
